

Today September 30th 2012 the Maritime Museum of Lithoro was visited by a huge number of visitors from various places and towns such as: Germany, Kavala, Thessaloniki and elsewhere. The tour to the exhibits of the Museum was made by the President of Maritime Museum of Lithoro Mr Nick Vlachopoulo and members of the Board of Directors (mr John Triantafyllou and Karpwni Athanasio). It is worth noting that young kids/visitors showed interest in the Museum for its ships and shipment. Photographs of their visit can be seen below:
