

On Sunday 2nd of February 2014 visited and toured the Maritime Museum Litochorou the journalist from TV100 Mr. George Rodakoglou, Elias Nteveli of motorsite (www.motorsite.gr) and journalist Lagios Apostolis. There they were toured around the exhibits of Maritime Museum by President Mr. Nikos Vlachopoulos and member of the Board Mr Triantafyllou John. Also at the Maritime Museum they learned about the exhibits such as ships, measuring instruments (compasses - sextants / oktantes etc.), the naval history of Litochorou, and also had the opportunity to get on the bridge (simulation) of a ship type Liberty full equipped (room maps - steering - compasses - room radio, radar, etc.) as well as many other exhibits featuring the Maritime Museum. Photos from the tour you can see below:
